

## **COVER LETTER**

Respected Sir,

I am well aware of the name of your esteemed organization for outstanding working environment that encourages employees to achieve their goals. It would be no less than a golden opportunity for me towards my bright career to work in your highly reputed organization. Therefore, I am writing to enquire whether someone with my background and qualification can be of interest to your organization.

I have completed my **MSc. (CA & IT)** from HNGU University, Patan, Gujarat.

Currently I am working as a Software Engineer. I have blend of skills to be a part of your outstanding organization. I have good development and designing skills.

Attached is a copy of my resume. Obviously the resume cannot cover the full range of involvement, therefore I would welcome the opportunity to discuss any of these which may be of interest to your reputed Organization.

I owe thanks to you for kind consideration. I would be grateful if you consider me for a work suitable to my skills and knowledge. I am confident that my technical skills and subject knowledge would make me eligible for the work offered in your organization.

I look forward to hear from you at your earliest convenience.

Thanking You,

Yours Faithfully,

**Nikunj Prajapati**

## RESUME

**Nikunj D. Prajapati**
